\* There is no cost to register as a buyer or seller. There is a sellers commission that will be equal to \$1 or 10% (which ever is greater) of the "hammer" price on each lot sold to any buyer - including the sellers who may elect to "buy back" their lots.

Minimum value of each lot to be \$5.00

\* Sellers may optionally, **at registration time only**, set a secret minimum bid (reserve) on any lot.

\* No commission will be incurred on any lot that is not sold. All seller commissions will be deducted from and before the payment to the seller, and these commissions will become the property of the C.R.C. treasury.

\* Buyers can **not** take possession of any lot(s) until the total cost for all purchases are paid. Collection of buyers fees will commence at the conclusion of the sale of the last lot entered into the auction. A buyer's receipt is required for pickup of purchased lots from the lot/item display area.

\* **Buyer fees will be collected before sellers are paid.** The C.R.C. only accepts CASH or CHECKS.

Identification may be requested from those paying for their purchases by personal check.

\* Sellers will be paid only by C.R.C. check and may for a \$1.00 surcharge, elect to be paid by mail.

\* This auction is limited to radio and electronics related items as described earlier. The C.R.C. reserves the right to reject items deemed inappropriate.

\* Any item registered for sale by auction may not be sold outside of the auctioneer's control, and can not be removed from the sale once the auction commences.
