Dedicated to the Preservation and Education of Wireless, Radio, Television and Associated Equipment

Volume 25, Issue 6

The November 9th meeting is at the Miller Library in Castle Rock

Nov./Dec. 2014

CRC Auction 2014

By Rich Kuberski

Holy Smokes—What an AUCTION!

Record sales—Huge Crowd—Lots of great items—Outstanding Picnic—and mostly good weather to spend a day with your friends.

I counted about 80 cars in the parking lot, which was completely full with overflow going outside of the fenced lot.

The pre registration worked great. Larry did not have a lot of stuff to log in on auction day and that took a big load off of him. If you don't

know who Larry's assistant was, it is his beautiful wife Dorothy. She does a great job of keeping track of the sales during the auction.

Where would we be without our master auctioneer **Tom Pouliot** and his able assistants Jerry Tynan, Bill Harris, Wayne Russert, Marty Phillips and Mike McCutcheon?

Those guys do a great job. They ferret out the items and keep feeding them on to Tom who does a <u>masterful job</u> of getting the **best price** for every seller.

Message from the President

I'm pleased to report that the auction was one of the best, if not the best, and most exciting yet. This has been a "banner" vear for our two main events. (Our Show!) The proof is in the numbers and how the preplanning that took quite some

effort played out on auction day. The club netted \$3100...which essentially doubled our treasury. Sure, we had some expenses...but we had lots of food.

fun, and frivolity. ...and the rain only started just about the time people started lining up to pay for their new acquisitions.

Thanks to all that helped out and to all of us who attended. I will be traveling somewhere in the Orient (sorry!) for the November meeting.

Remember when a number of us signed up to obligate ourselves to write an article for the Flash? Well...we need some of those articles now!...starting in the January issue. I've asked Rich Kuberski to reprint that list in this

edition. I know; that includes me

Important! We will have our January meeting back at the Castle Rock library.

I know that is out of sequence

but for a good reason: I am planning on putting on another Tesla Coil demonstration after the January 2015 meeting here at my home about 12 minutes from

the library in Castle Rock. This is a repeat of some years ago. My shops and radio display room will also be open for visitation. Mark your calendars.

Now I know you have remembered that November is officer nomination and election time. Please be prepared to step up and volunteer. Some of us are getting "long-in-thetooth" in our present positions

CRC MEETINGS

Meetings are held on the 2nd Sunday of every other month starting in January (except May is 3rd Sunday) at 1:00 pm. The meetings consist of business, "show & tell", raffles, auctions, swap meets, technical discussions and other subjects of

CRC MEMBERSHIP

Annual membership in the CRC runs from July to June. Dues entitle members to attend meetings, "The Flash!" our newsletter, discount book prices, participation in our spring show and Fall auction. Current annual dues are \$20. New memberships will be prorated to the following June.

(Continued from page 1)

Master Chef Dave Boyle and his crew kept the food flowing right up to auction time. In addition to the food provided by the club, many of the members brought along lots of goodies to share. Don Andrus schlepped the soft drinks, bottled water and ice to make sure that no one went thirsty.

With the many lots anticipated, it was decided that the auction should start an hour early at noon. As it turned out, that was a good thing. As the last item was sold, it began to rain. Everyone crowded under the canopy and formed up to pay for the items they bought. By the time everyone had paid up, just on cue, the rain stopped.

As was noted in the last newsletter, our recently departed member, Joe Kiser had left instructions to his wife, Nora, that his collection should be sold at the auction and the proceeds split be-

tween her and the club. This was an extremely generous offer that Joe made. Several of us spent a few days with Nora to sort and catalog the items that would be sold at the auction. We then moved them to a storage garage at the auction site. On Sunday morning, we just had to move them one more time over to the shelter where they were all sold without reserve. The highest priced item sold at the auction was one of Joe's pre war Zenith TransOceanics, model 7G605.

The total amount of items from Joe's collection sold for \$4,865 and 1/2 of that was donated to the CRC treasury. A tremendous gift. Our thanks go to Joe's wife Nora. Joe will be missed, but not forgotten.

That's Nora in the white hat.

October 21, 2014

Dear Richard, Dave, Larry and radio club,

Just a few lines to let you know how much I appreciated all of your help with the sale of Joe's radios and miscellaneous during this difficult time! You all worked hard and it meant so much to me that you all took the time and effort to do this! Joe would have been very happy! He always enjoyed going to the meetings, auctions, etc. I was not always able to go with him, and now I wished that I had! I miss him very much! You all too, will be remembered!

Thanks again for all your help!

And thanks for sending the tablecloth. That was a nice surprise!!

Sincerely,

ely, John L. Lise. Kiser

thanks so much

To: The Radio Club, Your kindness is greatly appreciated.

I have collected radios of all types for 30 years and now it is time to let them go to new homes.

Please call me for an appointment to see if any of them would fit in your collection.

I have tube radios including Tombstone, Cathedral, and Novelty etc.

I also have a large collection of transistor radios both shirt pocket and Novelty type.

Please call Thanks in advance, Ron Smith
