

COLORADO RADIO CLUB

Welcome to the first meeting of CRC in 1989.

Ron Smith has been elected president for 1989, Jim Berg is the treasurer, and Lee Bruton is the editor.

CRC is a group of collectors of varied radio interest, and as a group will try to serve as many of those interest as possible. If you have desires of the group please let us know. By meeting as a group it is hoped that we can share interest, knowledge, skills, advise, care, respect, and maybe sets or parts.

As editor, I plan to offer a newsletter with regional interest of finds, sales, and repair tips. Historical events will be noted, and preserved. Want ads and sale ads will be encouraged.

Paid membership; Lee Bruton, Ron Smith, Leamon Brooks, Johnny Johnson, Barney Wooters and Jim Berg.

Treasury- \$52.00 (\$8.00 to mail out invitations)

The first large project of CRC will be the regional show and sale at the Denver Collectors Fair on May 20-21. For the advertising I have mailed out I have named the event "Colorado Radio Fair". This event will cost \$140.00 for rent, then \$6.00 per table for the show. The show that was held last year used ten tables, we will at least double that number in May. We will rent spaces (10x10) for \$45.00, tables for \$25.00, this will be selling areas. These spaces are offered at a profit to our group. Membership rental can be considered at a lower rate. Interest, security and comfort have been enjoyed by other groups doing a "side-show". Some electronic places might pay for the renting of a few show tables in exchange for advertising on the table.

Barney Wooters has been appointed the club technical advisor.

Johnny Johnson and Doug Furney will organize the contest in May.

Ron Smith will have maps, hotel and eating information for out-of-towners visiting the show.

The next meeting will be on April 1 at 1:00 PM at -----

Membership list with phone numbers will be given out next meeting.

Good Huntin' Lee Bruton 1-651-0254
